## State Employee Charitable Campaign results

The 2014 State Employee Charitable Campaign, marking 21 years of charitable fundraising in Texas, raised a total of \$942,021 in TDCJ employee donations, surpassing last year's total by nearly fifty thousand dollars. As in past

years, a majority of those who donated chose to do so through payroll deductions.

The agency's SECC Coordinator Carie Beaty commented on the successful 2014 campaign, saying, "Of all of our duties and re-

sponsibilities, the work involved with the State Employee Charitable Campaign is one of the most satisfying. Everything we do to make the campaign a success should remind us that it is our privilege to help those in need." ●
