Davis named deputy director of CID Management Operations

In April, Lorie Davis was selected as deputy director of Management Operations for the Texas Department of Criminal Justice's Correctional Institutions Division (CID).

Davis has more than 25 years CID experience, having started her career as a cor-

rectional officer and promoted through the security ranks, eventually serving as CID Region III Director and director of Correctional Training and Staff Development. Davis holds a bachelor's degree from Midwestern State University and a master's degree from Texas Tech University, and has worked as senior warden at nine different TDCJ facilities.

Congratulating Davis on her selection, CID Director Bill Stephens said, "(Davis) has worked on units with diverse operations, to include substance abuse, inpatient mental health, a regional medical facility, maximum security and female offenders. We look forward to her contributions as she assumes this new role." ●
