ERS Annual Enrollment dates for Plan Year 2014 scheduled for July 15-28

This year's Annual Enrollment for TDCJ employees begins July 15 and ends July 28. During this period, agency staff may change their work benefits for Plan Year 2014 by signing into their on-line account on the Employees Retirement System (ERS) website, contacting their benefits coordinator or calling ERS directly.

Employees should receive their ERS Annual Enrollment packet, which contains details about your benefits and the choices you can make during Annual Enrollment, at least one week before enrollment begins.

More information about enrollment can be found on the ERS's Annual Enrollment page for active employees. ●
