Nominations accepted for ERS Board member in January

In 2013, Employees Retirement System (ERS) members and retirees will nominate and vote to elect a member to the ERS Board of Trustees. The six-member Board has three appointed members and three elected members who oversee administration of state benefit programs, including retirement, insurance, deferred compensation and flexible

benefits. They also serve as trustees of the retirement trust fund and oversee the trust's investments.

Nominations for ERS Board membership open on January 2 and close January 31 at 5 p.m. Voting starts March 8 and ends on April 12.

Board members serve staggered six-year terms. The winning candidate in the upcoming election will serve from September 1, 2013 through August 31, 2019.

Employees interested in learning more about the upcoming election should review the ERS Board Election information page on the ERS website. ●
