TDCJ's HR Division recognizes 2015 Employee of the Year

In November, the TDCJ Human Resources Division honored Human Resources Specialist II Nolan Spencer at its 15th annual Employee of the Year luncheon held at the Prison Museum in Huntsville.

Spencer is a correctional recruiter working in HR Headquarters and has more than 30 years' TDCJ experience, including six years as an agency recruiter. In addition to train-

ing new agency staff, he has helped make positive changes in recruiting procedures and performs his job duties with the highest degree of professionalism.

The 12 HR Employees of the Month for fiscal year 2015 also attended the luncheon and were presented with awards recognizing them for their outstanding work performance.

Director of Human Resources Patty Garcia complimented the honored HR staff members, saying, "TDCJ is well served by the exemplary performance of these HR employees. They are to be commended for the professionalism and care exhibited on a daily basis." ●
