PRODUCTION SALE

Dear Guests and Potential Buyers,

We would like to extend a cordial welcome to the Texas Department of Criminal Justice (TDCJ) Manufacturing, Agribusiness and Logistics Division's 2019 Horse Sale. It has been over a decade since our last sale, and we are pleased to once again offer some of the agency's finest bred horses. This year we will proudly offer 50 horses that have been utilized in our Beef Cattle and Security Operations from various regions of the state.

We pride ourselves in our livestock programs and are known for consistently producing some of the highest quality animals in the industry. This comes from many years of commitment, dedication, and hard work by many TDCJ employees and offenders throughout the state that have invested many hours into the care and development of the agency's livestock. We would like to express a well-deserved thanks to the current and former employees and offenders for their efforts.

As we remain committed to quality, we also take great pride in training each horse the same. From the initial hours spent matching pedigrees for a proper mating, to the delicate care at foaling and hands-on approach from birth, we believe in the tradition that "quality time results in a quality product."

As always, we appreciate your interest in our offering of 50 quality horses. We look forward to seeing you in Madisonville, Texas!

Bobby Lumpkin Director
Manufacturing, Agribusiness and Logistics
Division
